

## Want to join the Weatherby Lake Yacht Club?

We'd be delighted to welcome your family into the yacht club. Your membership dues help to support the Jr. Sailing program, the adaptive sailing program, the Sunday races, and the many social activities which are mostly free (or have nominal fees) that preserve the rich culture and tradition that helps to define our community.

WL Yacht Club membership dues are \$60 per year per household prior to the annual ice breaker event. After the ice breaker (usually held in April), the dues increase to \$65. Checks should be made out to WLYC Dues and may be mailed or delivered, along with this application form, to WL City Hall or placed in the black drop box outside City Hall.
